

CIRCULAR

(For parents who have not remitted the 1st quarter fee)

I hope all of you are doing well and continue to be safe and healthy. It is a kind request to please follow strictly health safety norms and social distancing due to Corona Pandemic.

In these unprecedented and tough times we all are working with commitment by taking online classes vigorously from 22.06.2020 i.e., re-opening after summer vacation.

As per the Vidyalaya records it has been noticed that the fees for the First quarter (1st) i.e., April 2020 to June 2020 has not been remitted by your good self. However, the same can be paid along with Second quarter (2nd) i.e., July 2020 to September 2020 in the nearest branch of NSBI on or before 31.07.2020. The Vidyalaya has taken a lenient view to collect the fee without late fee or struck off name from the Vidyalaya roll due to Pandemic situation.

All parents are requested to understand the Pandemic situation and cooperate with us for smooth functioning of the Vidyalaya.

(The same please be ignored, if already paid)
